Links for guidelines on visual communication material

For additional information regarding the templates (presentation and posters) we have gathered a list of links including guidelines.

Link for fonts.

Fonts | KTH Intranet

Link for primary and secondary colours. In both templates there are two suggested colours. In case you would like to use additional colours please follow the guidelines on the following link. You can find the suggested colour palettes from KTH and their codes, in case you need to recreate them in a different software from the ones corresponding to the templates.

Colors | KTH Intranet

Link for KTH logo. The placement and blank space of the logo need to correspond to certain guidelines following KTH's visual identity. Please read the instructions on the following link regarding the KTH logo.

Logotype | KTH Intranet

Link for line pattern. The line pattern can be used for the presentation or poster template.
- The pattern can be placed on a background panel, on a full-bleed image, or on a background panel alongside an image. *The pattern should not overlap both the background panel and the image.*
